PATENT ATTORNEY

Sir:

This is in response to the Office Action dated March 1, 2011. With this response, all pending claims 115-142 are presented for consideration and favorable action.

In the Office Action, the rejection based upon Gollomp US6424157 in view of Roberts US6570385 was continued. A "Response to Argument" section was provided at section 5 of the Office Action.

Applicant has reviewed the Office Action along with the "Response to Argument" section and submits that the claims are patentably distinct from the cited references.

In the prior response, Applicant noted six elements in the pending claims which were not shown cited references. These elements are:
